All games will be played under the FIFA “Laws of the Game” in addition to those rules adopted by the CRASL as stated in this document.

All league games will be assigned three USSF Certified Referees, who will officiate the games using the diagonal system of control, with one center referee and two assistant referees. The leagues will not refund teams in the event that there are less than three officials on any given game. Referees are paid on a sliding scale dependent upon their referee grade.

Team managers are responsible for completing the team roster/referee game report before each game. The official roster must include all eligible players first and last names, and player I.D. number. The roster is to be submitted to the referee at the time of team check-in.

Players must present a current player pass issued by US Club Soccer. NO PLAYER PASS = NO PLAY. The referees will not accept any other forms of I.D. Multiple player passes are required for participation on more than one team.

A minimum of seven (7) players is required to officially start a game. A game will be deemed a forfeit if a team does not field at least seven players by ten minutes after the scheduled kick-off time. A player arriving late to a match must check in with an Assistant Referee before being allowed onto the field.

Following the game, team managers recollect the player passes from the referee and verify the final score with the referee. Player passes of those individuals requiring disciplinary action will not be returned after the game; their player pass will be kept by the game official who will submit the player pass with the game report to the League Coordinator. Passes submitted by the game official will be supported by a supplemental report in referencing the player's offense. The Disciplinary Committee will determine disciplinary action. After the Disciplinary Committee determines the disciplinary fee and number of game sit outs, they will then send notification to the team manger regarding the discipline action and where to pick up player passes. Non-return of the player pass by the referee shall be sufficient notice to a team that the player will face disciplinary action.

The CRASL is not responsible for the replacement of player passes if misplaced or lost, or not returned by a referee. Before you leave the field recount your player passes!

Scores must be submitted to the league within 24 hours of the game. E-mail your scores and comments to nstahlecker@dsgpark.com.

This responsibility shall include the behavior of all spectators affiliated with the teams and other fans surrounding the field.

In the event a team or individual abuses the league rules, the leagues reserve the right to exclude the team, or individual from future participation in the league. There are no refunds to a team, or individual if the team is removed from participation in CRASL. Fines are implemented and strictly enforced for all teams, spectators, and coaches. CRASL league fines are carried over to the next soccer season or the next league in which the individual player or team participates.

Any decisions regarding the ejection of a team, player, spectator, or coach from participation in the CRASL will be determined by the Disciplinary Committee and decisions will be final. A Disciplinary Committee hearing will be held in the event an incident warrants such.
